Sunday Reflection from Father Anthony

Yes! Finally we made it! I welcome you to this last Sunday of the Liturgical year, which marks the observance of the Solemnity of Christ the King of the Universe! What a beautiful way to end the liturgical year! This day is to remind us that Jesus Christ is truly the King of the Universe. When asked by Pilate, "So you are king?" Jesus replied, "You say that I am a King. For this I was born, and for this I have come into the world." Jesus was able to give an elaborate answer about himself thus revealing himself the more. However, Jesus also has described himself not king of the world like any earthly kings. He says that his kingdom is not of this world. He rules not by power and authority, armies and weapons, but rather through mercy, love, justice, truth, peace and humble service of others. And the very reason he accepted to suffer and die, because of the compassion he had for many that they may be saved. His throne was not of gold but it was made of thorns. This way, he has taught us by his very example that if we accept him as our king and ruler of our hearts, we must therefore live in love, peace, justice and in truth as he did. It is then that we shall truly live in his kingdom and every Sunday and everyday be able to confidently pray that his kingdom may come and later when he will come to judge the living and the dead! May God bless you always! Happy Feast day!

Parish Directories will soon be available to all parishioners (regardless of whether your picture is in them), on a first come, first serve basis. Please pick up your directories. Thank you.

The Mass Intentions book is open! Intentions for 1 July– 30 September 2019 can be requested at this time. Please stop by the office to request mass intentions.
